Music notes...

PRAISE (noun) an expression of admiration, enthusiastic worship and thanksgiving.

Great Big **THANX** to all those that have led community singing and provided special numbers, since the first of the year.

Did you know that the Music Director's of each walk **ALWAYS** agree to lead the first Gathering after a walk? This helps to capture the enthusiasm of the walk weekend, and put a smiling, recognizable face up in front of the new community members.

The Special Music opportunities are not about the **PERFORMANCE**, but about the song, the words, and the **DESIRE** to praise our God (He's an awesome God).

So with that said, there are opportunities for any member of this community to lead/sing.

You don't have to do it alone.

YOU (yes, you) are **INVITED**, as a duet, trio, group of friends (share group, male, female or co-ed).

The audience is kind, supportive, and loves to sing along with you.

October's Music Gathering is fast approaching and I'll need each of your voices to raise the roof and **SHOUT TO THE LORD!**

A note from your Sponsorship Chairman ~

Hello all fellow Emmaus community! Wanted to announce the addition of a Sponsorship Section to our webpage: www.sidneyemmaus.org !!! The Sidney Board of Directors strongly recommends reading the Sponsorship Training section before sponsoring a pilgrim. There are guidelines for effective sponsorship - a lot of useful and IMPORTANT information! Also the Application has changed - so if you have some dusty old app's at home, throw them out and print off a new one!

Help us get the word out pass this message along to all of your Emmaus friends. Help keep our Sidney community strong and growing in Christ through responsible Sponsorship!

Yours in Christ,
Deb Hereld
